TRANSFER POLICY

At RSAILING, your safety and comfort always come first. Please note the following conditions for our transfer services:

Weather & Navigation

Sea conditions can vary, and longer navigations — especially on the return from Sesimbra or Tróia — may occasionally be rough. During the first leg of your journey, our crew will evaluate the conditions and inform you of what to expect on the way back. If necessary, a land transfer back to Lisbon can be arranged for an additional fee, payable directly on board.

Catering & Drinks

Catering is not included in our transfer services. Drinks can be purchased on board during the trip. If you wish to have food catering, please request it at least 48 hours in advance, so we can prepare it to your preferences.

Transfer Service vs. Full Day Charter

Our transfers are designed as a point-to-point service — a luxurious and unique alternative to a land transfer. The boat will not stop for swimming, lunch on board, or sightseeing breaks, as those fall under our Full Day Tour category.

Transfers are ideal for guests who wish to:

- *Travel in style between destinations.*
- *Enjoy lunch at a remote location and return afterward.*
- *Experience the journey itself as a refined highlight of their day.*

Service Duration

Transfers are booked as a two-way service (Invictus), although clients may choose a one-way only option, if desired. Should you require extra time beyond the purchased service, a fee of €150 per additional hour applies (e.g., delays after lunch, extra time to explore, or a slower return to Lisbon).
